

UNIVERSITY TEAM BEATS MESA HIGH IN EXCITING GAME

MESA, April 21.—A battle from start to finish and amply interesting to satisfy the most particular fan, today's game between the University of Arizona and the Mesa club was won by the Tucson boys, 6 to 5. The contest attracted fans from all parts of the valley and Mesa turned out a record attendance, all stores and other business concerns in the city closing during the course of the game.

Play started poorly with a springing of errors on both sides, but despite the fact that occasional inexcusable errors leaked in, interest became continually more intense. The eighth and ninth were really innings for both sides and the visitors succeeded in nosing away from a tied score with the winning run and then holding Mesa down until it looked certain that at least on tally would go over.

Mesa had a new man in uniform who staged a "comeback" from his former days in baseball that put all the rest of the big stickers in the background. Delbert Stapley at second base for the first time in his first three times at bat got three singles, each time with men on bases, bringing in four of the five Mesa runs.

His last time at bat, he lined up one that looked good for two bases into left field, but Seaman pulled it down and saved another run.

Thurman, leading off for the visitors, clouded the first ball pitched into deep center for two bases. Menhennett got on an error and they both scored when Cotton singled into left and Peterson let it go through his feet.

Things looked bad for the visitors in the first when Stewart after throwing the first batted ball away and letting a man on, walked the next two up, filling the bases with none down.

Gill sacrificed, scoring Pomeroy and Stapley got a single, bringing in Butler and Lush.

In the third inning the visitors added two runs and Mesa one, tying the score. Mesa nosed out in the fifth, and it looked like a home victory for sure from then on until the ninth inning.

Then things began to happen. Cotton singled, O'Connor flew out to Lush, Smith was hit by the pitcher. Cotton scored, tying the score, when Marshall hit, and Smith scored when Butler heaved Bush's grounder past first.

The score stood 6 to 5 for the visitors when Mesa came to the bat with Butler up. Butler singled.

Deardorff Signs
With Rail Squad

With Bill Day as captain of the Arizona Eastern squad, he is rapidly developing what is going to be one of the fastest teams of the valley.

Manager Soekland states that he is well pleased with the progress the team is making, and Day has been on the lot every evening. Soekland also announces that he has just signed C. A. Deardorff, last year captain of the Superior team, also Smiley Sonoki. These two players are well known in the valley and their ability for heaving the "pill" cannot be overlooked.

The Arizona Eastern squad will chase balls with the Chambers Transfer team this evening at 6:30 p. m. on the A. E. grounds east of the shops at Thirteenth street and railroad tracks. The Arizona Eastern team is composed of the following: Felix, second base; Conlin, center field; Day, shortstop; Buchanan, first base; Delgado, catcher; Leman, third base; Norman, right field; Danae, left field; Deardorff, pitcher; Sonoki, pitcher.

through third and stole second, going to third when Lush flew out to deep center field. Wheeler was up and the Mesa management decided to try for a squeeze play to tie the score. The play was on and everything looked rosy. Butler got a good lead and was nearing home plate when Wheeler bunted a fly into Stewart's hand, who, just to win his own game, doubled Butler off third.

The score:
U. of A. AB. R. H. P. O. A. E.
Thurman, 2b. 4 2 1 0 0 0
Menhennett, c. 4 2 1 2 1 0

Summary: Double plays—Butler to Mills; O'Connor unassisted; Stewart unassisted. HIT by pitcher—Stewart. Struck out—By Lush, 5; by Stewart, 11. Base on balls—Stewart, 5. Stolen bases—Pomeroy, 2; Butler, Stapley. Sacrifice hits—Gill, Mills. Two base hit—Thurman. Three base hit—Gill. Umpires—Williams and Cooper. Time of game—Two hours. Attendance—1,000.

Pima Indians To Play Strong Lehi Tossers Saturday

The Pima Indian baseball team of Sacaton will meet the fast Lehi club at Sacaton Saturday afternoon in what is expected to be a lively contest. This coming game is creating considerable interest in and around Sacaton and is being looked forward to with much anxiety by the Sacaton followers.

The Lehi team has played a number of games with teams of good standing in the Salt River valley and incidentally has attached a good string of victories to its record. The Sacaton Braves, with two recent victories, feel confident of another win in the fracas this coming Saturday.

The Sacaton club is composed of former students of the larger Indian schools who are well grounded in the technique of the national pastime.

Sacaton will meet the Cook Bible school team on the Indian school diamond Monday, April 25. The first game with this team from Phoenix resulted in a 5 to 1 win for Sacaton in a well played game at Sacaton last Saturday.

Monday's contest with the Cook Bible school marks the closing days of that school and this commencement event is Indian against Indian, though in a friendly mixup. The outcome is being watched by all who are interested in these two teams.

REINSTATES HOME-RUN BAKER
CHICAGO, April 21.—Frank "Home Run" Baker was today reinstated in organized baseball by Federal Judge Landis, commissioner of baseball. It is understood he will immediately join the New York American league team.

NO PAY DAY FOR THEM
"Out on the road we tried Shakespeare as a lost resort."
"How did it go?"
"Nothing doing. Even with 'Hamlet' we couldn't make the ghost walk."
—New York Sun.

NONE TOO SICK TO VOTE—Everybody entitled to a vote cast it in the recent plebiscite in rich Upper Silesia, in which the Germans defeated the Poles. This picture shows a sick German being carried to the Poles.

UNDEFEATED TEAMS TO MEET TOMORROW

TEMPE, Ariz., April 21.—When the strong University of Arizona team crosses bats with the undefeated Tempe Normal nine Saturday afternoon one of the best games of the season is promised. It will undoubtedly be the biggest event in inter-scholastic baseball in the state this season.

Neither team thus far has met defeat. The Tempe Normal team, which has a string of ten straight victories and which is leading the valley school league with six victories and no defeats, has been working hard for the past week preparing for the game. Patterson, the southpaw twirler, will make it exceedingly interesting for the U. of A. batters.

In the six league games which the Normal has played Patterson has struck out 73 men.

The game will be called at 2:30 sharp on the Normal grounds. The line-up probably will be as follows:

U. of A.	T. N. S.
Menhennett	c
Doyle	p
Marshall	1b
Thurman	2b
O'Connor	3b
Seaman	lf
Bush	cf
Smith	rf
Cotton	ss
	Voelckel

NEWS OF INTEREST FROM CASA GRANDE

CASA GRANDE, April 21.—Paul Blackmore leaves in a few days for an extended stay. His wife and children will spend the time during his absence on the coast.

Rev. N. R. Curtis and L. P. Matthews attended the presidency, the

Miles, is being pushed to rapid completion. The 1 1/2-mile unit now under construction will be completed by the last of May. About 20 men, with the best road machinery, are at work. Rev. McDonald, a Presbyterian minister, preached a very able sermon in the community church last Sunday morning. His home is in Detroit.

R. E. Fishburn and L. E. Baker of the county highway commission, from Tucson, were here last week inspecting road conditions.

J. P. Shehan, superintendent of the New Sunlight Gold Mining company, returned to Ajo Tuesday from Detroit.

C. M. Laird, proprietor of the Laird Aeroplane company of Wichita, Kan., on a flight to the coast, alighted here last Wednesday. He stayed long enough to get a supply of gas and then proceeded via Yuma and San Diego to Los Angeles. Mr. Laird stated that the landing field here was the best he had seen on his way. He left Wichita April 4.

Mrs. Elizabeth Steele has returned from Phoenix, where she attended the pioneer reunion, and reports a very pleasant time. Mrs. Steele is the first white woman born in Arizona. She was born at Tucson February 8, 1861. The public school of Ajo observed bird day and rendered a splendid program Friday of last week.

Opening song, "America."
Reading, "Life of John James Audubon"—Harold Eckman.
Song, Mrs. Risinger's room.
Reading, "Birds' Nests"—Maria Salsida.

Song, Miss Watt's room.
Recitation, Alice Brunt.

Song, "Chick-a-Dee"—Miss Redden's room.

Recitation, "The Bells in the Bell"—Mead Cole.
Reading, "Curious Birds' Nests"—Robert Hammer.

Piano solo, Harry Krytzer.
Paper, "A Few Reasons for Teaching Bird Study"—Terry Randle.
Song, "Star-Spangled Banner"—School.

The New Cornelia co-operative store closes its doors each day from 1 to 2 p. m. to enable the employees to have an hour off for lunch.

The mixed train over the T. & C. & G. B. will be taken off one day during the week, making the service five days a week instead of six as now. The change is due to the slack in business.

E. A. McCormick of San Francisco, president of the Southern Pacific, was in Ajo last week with a party. They left by automobile for Tucson.

Gordon R. Campbell, the new president of the New Cornelia Copper company, was a business visitor here several days last week. He was accompanied by Mrs. Campbell. He told the people of Ajo they need have no fear of a complete shutdown unless there is an unforeseen calamity in business. He thinks the worst is over.

The New Cornelia Copper company's production for the month of March was as follows:
Cathodes, 1,125,785 pounds; cement, 120,072 pounds; total, 2,245,857 pounds. This is above the February production, which was 1,972,476 pounds.

Col. J. C. Greenway, general manager of the New Cornelia company; Walter Congdon, a director, and H. R. Paul, auditor, have been here on business the past few days, accompanied by Mr. Campbell, the new president.

While drilling for oil near San Antonio, drillers discovered a thick bed of phosphate of high commercial value.
